Foshan Shunde OJANS Intelligent Sanitary Ware CO.,LTD, was established in Foshan city of China in 2006. With tireless efforts and perseverance during the past 17 years, we have became one of the leading manufacturers of bathroom furniture in China and have attracted customers from more than 100 countries, securing OJANS with a global reputation in the fields of sanitary ware, including bathroom cabinets,bathroom mirrors,LED mirrors, mirrored shaving cabinets and cabinets customization.

We set up a new factory in Zhaoqing city of China in 2020. Covering an area of 45,000 square meters with the latest technical equipment, based on the ISO9001:2015 quality standard and the production capacity of 15,000 pieces per month, we can supply the prompt delivery to our customers with the stable quality.

We have a complete and excellent material supply Chain.All the raw materials and technical components are provided by selected reliable suppliers, and have been certified as reliable, in line with applicable current safety standards and environmental protection standards, aiming to keep quality under control at the sourcing stage.

With the sharp market insight, we could follow up the latest industrial trend, create the new products with excellent performance to meet your aesthetic, style and functional needs. We have developed strategic cooperation with the leading DIY stores, Retailers,Wholesalers and Builders all around the world.As a professional supplier, We commit ourselves to provide a Tailored manufacturing solution service from the design concept through to cost-effective production.

OJANS, a professional manufacturer which devotes to technology, innovation and high quality. We look forward to cooperating with you!

Featured by whole-process solution design, modern style and tactile material, OJANS committed to providing independently developed designs.
Every vanity is a work of art , fresh up your bathroom.

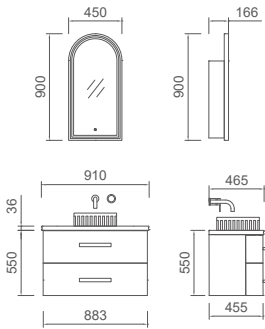

Good design comes
from the details.
Every detail is
poured with extreme
craftsmanship
presenting
a perfectly
coordinated bathroom
space.
